

On our last sale we sold a nice run of weigh-ups with 6 buyers on the seats & 5000 head of feeder cattle to a good crowd of buyers, as always flesh & condition was a big factor. With the futures down \$3/\$4.00 thought we had a decent sale.

On our last sale **Fri Mar 16th** we sold a liter run of weigh-ups on a lower market. Also sold just over 3000 head of feeder cattle on a little lower market than 2 weeks ago. As always flesh played a big factor in price. We didn't have the best weather conditions but had a decent crowd of buyers with cattle going 6 different states. Our crew did a good job getting the cattle thru the ring in good time, a special thanks to them.
